Dear Fellow Parishioners,

You and I benefit from all that we, as a faith community, have accomplished this year. But 2018 will be with us soon. Your continued generosity is vital to the continued financial and spiritual health of our church, St. George. Today I ask that you renew your financial pledge and join me in increasing it as you are able. If you have not made a pledge previously, please consider doing so now.

We are extremely fortunate. We enjoy the fellowship of our warm and friendly community of parishioners. We are caretakers of an iconic neo-gothic church building. Many of you have been loyal parishioners far longer than I, and I have been the beneficiary of your knowledge of our church's history and traditions.

Truly, St. George is the primary place where many of us encounter Jesus Christ, the focus and foundation of our faith. We treasure the rich traditions that we celebrate every week and every year. But that's not all there is to our parish. It is a guidepost for our personal spiritual journeys.

While each of us celebrates our faith in personal ways, it is when we come together as a community that we are able to accomplish wonderful things. Our collective generosity makes possible the various and creative outreach projects and internal activities that express our faith both inside and outside the walls of our church. Your generous support last year enabled St. George to extend the arms of our faith to the homeless, our veterans and many others. Your support expresses your recognition of St. George and its important place in our spiritual lives. Thank you.

Your commitment to our capital campaign, Growing Together, improved our church in vital ways...at the Ark, placing fans in the church, our glorious new kitchen and improvements to Jerusalem and Fellowship Halls. Thank you.

The strength of St. George is in our hands. I know you will do what you can to secure a solid financial year ahead. Thank you.

With peace,

Mary Hobart
